Maroochy Waterwatch Inc **Work Place Health and Safety Policy**

Maroochy Waterwatch has an occupational health and safety policy which all employees, volunteers and clients must read and adhere to. The policy itself reads as follows:

Maroochy Waterwatch Inc Occupational Health and Safety Policy

The activities of the group shall be carried out in a manner which will protect the health and safety of its employees, volunteers, clients and members of the community. Health and safety is the responsibility of all personnel involved at any of the organisations workplaces and activities.

To facilitate the implementation of this policy, Maroochy Waterwatch Inc shall:

- Provide and maintain healthy and safe work areas and safe equipment
- Provide the information, instruction, training and supervision to ensure the safety of all staff and volunteers
- Require all staff, volunteers and clients to adhere strictly to all safety regulations and codes of practice
- Develop and maintain emergency procedures which, in the event of an accident, will minimise harmful effects
- Require all group members to report hazards, or hazardous practices, to their supervisors
- Require all staff, volunteers and clients to accept that safe work practice is the responsibility of every person taking part in the group's activities.

Maroochy Waterwatch Inc is committed to occupational health and safety performance improvement.
